

# CAREERS IN LAW

February 17, 2010

6:00-8:30 p.m.

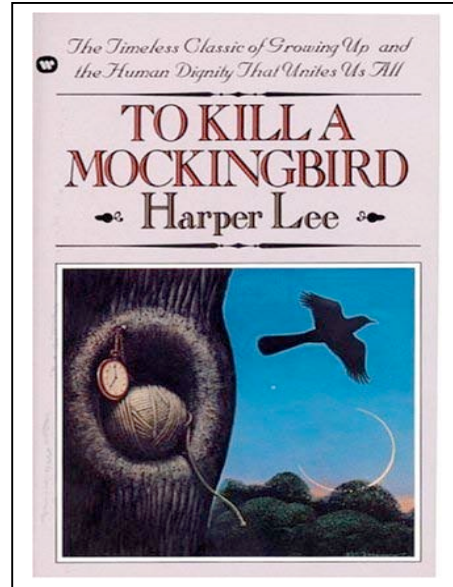

Oxnard City Council  
Chambers

305 W. Third St. Oxnard

This is an evening just for you,  
college-bound middle and high  
school students.

Lawyers and Judges from  
Ventura County will share  
stories of their educational  
journeys and careers in law and  
answer your questions.

Refreshments will be provided.  
Multiple copies of Harper Lee's  
book will also be raffled off.

The City of Ventura Cultural Affairs Division in partnership with the Ventura County Library were selected by the National Endowment for the Arts to take part in the Big Read, a community-wide reading initiative designed to restore reading to the center of American culture. To promote reading, our entire community is encouraged to read this book at the same time and participate in discussion groups on the book's themes. Big Read events will take place in Ventura County in February.

Ventura's 2010 Big Read book, To Kill a Mockingbird by Harper Lee, addresses themes of RACE and JUSTICE and is a book every college-bound student should read.
