The Literacy Gaps

Bridge-Building Strategies for English Language Learners and Standard English Learners

Build bridges of support so English language learners can learn alongside their peers! English language learners (ELLs) and standard English learners (SELs) face multiple gaps as they strive to achieve. Educators need to take a holistic, comprehensive approach to bridge those gaps and meet the needs of those students. Based on an original, well-researched framework, this much-needed resource provides practical strategies for supporting learning and success for English learners.

Ivannia Soto-Hinman, associate professor of education at Whittier College, specializes in language acquisition, secondary literacy and urban education. She has presented on literacy and language topics at various conferences, including the National Association for Bilingual Education (NABE) and the American Educational Research Association (AERA).

Ivannia's book will be available for purchase. Corwin Press is giving a 40% discount. Regular price is \$38.95. Reduced price is \$25.30 which includes tax. If you preorder it and send your money with your registration, cost is \$22.00
